

Support the growth of your company with **Google Ads**

Reach out to people who are searching for companies like yours in Google Search and Google Maps - with Google Ads. You pay only for the results (calls and visits to your website).

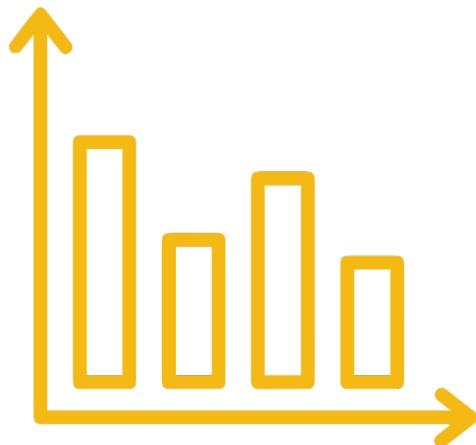

Show up when people are looking for something you have.

Get more customers with the help of Google Ads

People search for activities, places to visit and things to buy.

Your ad might show up when a person is searching for products or services which are sold by your company, too. Ads can show up not just on **laptops or PCs** but also on **mobile phones**.

Set up your own budget for your company

Have full control over your advertising budget with Google Ads. Set up a monthly limit and you won't have to worry about going above it. You can redirect your expenses anytime.

What do you get with the Google Ads service

rise in web traffic

control over your marketing expenses

company ads

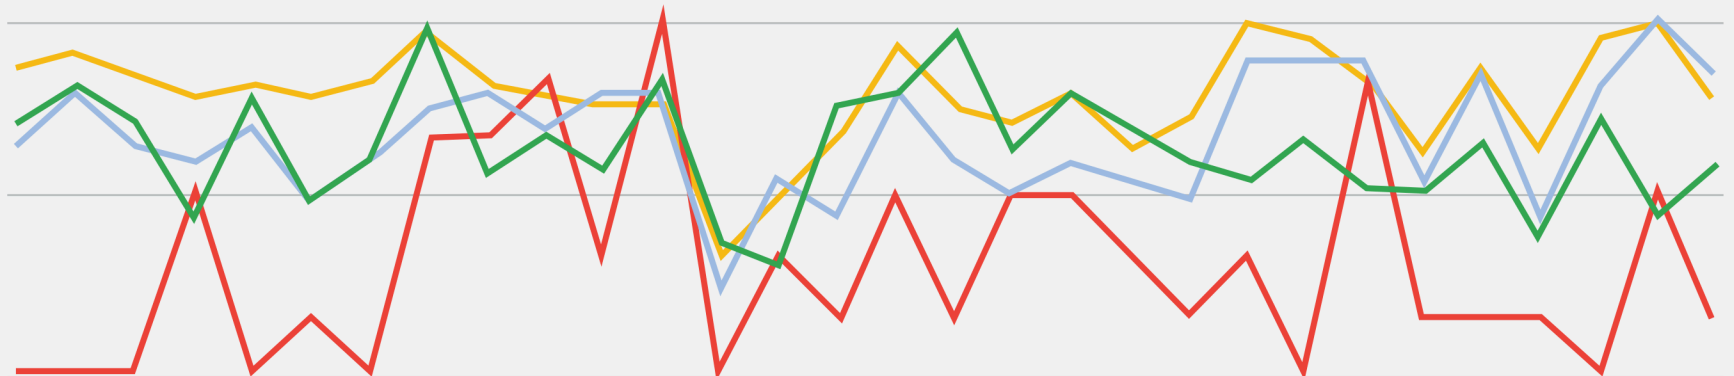

budget with a monthly limit

more calls with the button for telephone number

statistical data for marketing purposes
